(1) The management and advisory fees include those earned in the Onex Partners and ONCAP private equity funds and Onex' retained portion of the management fees earned from operating companies. No fees are included in respect of Onex Corporation's capital invested in or committed to Onex Partners and ONCAP private equity funds.

(2) During 2014, management fees for Onex Partners III were based on 1% of invested capital. Onex began to receive management fees for Onex Partners IV in August 2014, which were based on 1.7% of committed capital. Run-rate private equity management fees at June 30, 2015 were approximately \$135 million, which includes \$39 million of run-rate management and advisory fees that would be earned on Onex Corporation's capital.

(3) The management and advisory fees from Onex Capital represent the additional net fees that would be earned on Onex Corporation's capital if that capital was subject to the same management and advisory fees as other investors in the Onex Partners and ONCAP private equity funds.

(4) Private equity carried interest is reported on a cash received basis. Credit carried interest and performance fees are accrued in the fourth quarter each year, since they are typically received shortly after the end of the calendar year.
